STAT

The History Staff is now at work on an official history of Richard Helms as Director of Central Intelligence.

STAT

John Bross and several other individuals have suggested that you might be willing to talk with us about certain matters pertaining  during the Helms years.

I hope to arrange a brief trip to New England in November and would very much appreciate the opportunity to talk with you for an hour or so.

I probably should add that we have the full cooperation and support of both Mr. Helms and the current DCI in undertaking this history.

I shall telephone you next week to see whether you feel able to help us.

Sincerely yours,

A handwritten signature, possibly "A/".
